

Junior and Elite Payout Policy

Revised October 18, 2008

Elite payout is purse plus 100%
Junior payout is purse plus 100%
Elite cruiser payout is purse plus 100%
Junior cruiser is 100% payout (NO money ADDED)
Masters is 100% payout (NO money ADDED)

All money classes get paid out at the pre-registration rate.

Purse Breakdown:

50% Elite classes
25% Junior classes
25% Elite Cruiser

The purse is then split between male and female by rider % to a minimum of 20%

Example:

Alberta BMX adds \$500 to purse and host track adds \$500

Total purse = \$1000

50% - Elite classes = \$500

25% - Junior classes = \$250

25% - Elite cruiser = \$250

Then the money is divided into males and females by % of riders to a minimum of 20%

Example:

10 Total Elite riders

7 Elite males = 70% of \$500 = \$350 added

3 Elite females = 30% of \$500 = \$150 added

Payout of combined classes

In the event that a championship class is combined, all the riders will receive the payout of the combined class. They receive payout as they position in the combined class.

Example:

2 Junior men and 4 Elite men combine to a 6 rider Elite men's class. Therefore ALL the junior payout will go to the Junior female class

In the event that there is no class for Junior or Elite cruiser the payout percentage for that class(es) will be added to the Elite class.

Example:

There is no Elite cruiser class so there will be 75% Elite classes – 25% Junior classes purse distribution.
